■Ceramic product has individual differences, such as size and color shape. ■Adjust size difference during installation. ■Use elastic adhesives for tiles.

■Deco wall leaf is for interior use only. ■This product is produced as a single piece installation. It is not sheet mounted.

■The numbers for 1square meter is just a standard reference. The numbers depend on the distances between tiles.

■Wide shade variation inherent in Rusty brass and High Gloss. Appearance may change depending on lighting type and direction. Avoid cleaning with acid materials, it will damage the glaze.

■The edges of Rusty brass may darken due to the nature of the glaze.
