Ichimatsu MA-A

NO.		pcs/m ²	size (L×W×T mm)	weight/pc
MA-A	Greyish White / Beige	176	75×75×26	250g
MA-A	White / Black			
MA-A	Metallic Silver Black			
MA-A-WA	Wood A			

■Ceramic product has individual differences, such as size and color shape. ■Adjust size difference during installation. ■Use elastic adhesives for tiles.
 ■Wood A・Wood C / The characteristics of this product are the differences of grain pattern and colors in every single product. It is not a printed material.
 ■Metallic Silver Black is characterized by differences in expression and color range, and the impression varies depending upon how the light hits it.
 When used outside, the wrinkles in the glaze may fade or the color may darken over time.
 Avoid cleaning with acid materials, it will damage the glaze.
