T2-100BM	Black(Glazed)			

- Ceramic product has individual differences, such as size and color shape. ■Adjust size difference during installation.
- Please be careful for Smoked Black(Glazed) color products when installing them. It is easy to get dust and dirt which are hard to remove.
- The glaze character of Smoked Black(Glazed) is rough surface. Please avoid using clothes for wipe cleaningnot to let the fibers on the surface.
- Please use tile adhesive.

Corner piece with 45degree angle
backside cut and glued two pieces
