Wall oribe

NO.	color	pcs/m ²	size (L×W×T mm)	weight/pc
OW150	Oribe Green(Glazed)	7.3	900x150x16	4150g
OW200		5.5	900x200x16	5300g

- Ceramic product has individual differences, such as size, color and shape.
- Please make the joints between each tile in order to adjust the size differences of each tile.
- Due to the distinctive characteristics of Oribe glaze, a wide range of color variations and surface expressions may occur, including bubbling and crackle patterns.

Traditional color : Oribe with its feature of deep green and wide color variation.
